"Swell's energy and eclectic repertoire keeps folks dancing and singing through the night. It was my first time seeing them perform and I'm hooked!! 🎸🎤🥁🕺👯
Bring your dancing shoes and don't be surprised how they move seamlessly between hits from several eras. You'll hear a song you haven't heard in years & fall in love with it all over again!!"

"Thanks so much for making our event last night such a wonderful success. We felt we hit it out of the park by selecting the right band! SWELL was a perfect pick for us, and the nearly non-stop dancing seemed to prove that point."
